Leadership in Service to Others

We unite Youth and Leadership

Donation Form

We rely solely on financial contributions and donations from supporters like you who are committed to training leaders and impacting the future!

The Indianapolis Youth Leadership Academy (IYLA) is a 501(c)3 registered under Resources for Our Community (ROC) and is funded completely by donations. All instructors and training assistants are volunteers and are not compensated for their time or the expertise imparted to the young people. All funds are used exclusively for the training of the students, as well as the equipment and materials the students may keep for future reference in their careers.

With more funding we can serve more young people in the Indianapolis area. Physical property donations such as snacks, bottled water, training material and equipment are also accepted and very much appreciated.

All donations are tax deductible and receipts will be issued to all donors. Certificates suitable for framing will also be issued for every donation of monies or property valued at or over \$75.00 for an individual / family donation and \$250.00 for a business / corporate donation.

Interested individuals and families as well as businesses and corporations may donate by using the form below. Payment may be made by check, money order or credit card.

If using a credit card or desiring to make a physical property donation, please call 317.506.1510 for instructions on how to submit a secure payment to the academy or have the property picked up.
